Rodrigo Belfort Gomes

## DID YOU KNOW?

- UFS got a grade 4 in the General Index of Courses (IGC) and this places us among the best universities in the Northeast of Brazil.
- The purpose of the Support Program for the Development of Professional Learning (Prodap) is to provide undergraduate students with grants so that they can take part in 20-hour-weekly activities focusing on the development of skills aimed at complementing professional training in the scope of UFS. For more information contact: CODAE/PROEST, e-mail: [prodap@academico.ufs.br](mailto:prodap@academico.ufs.br).
- The Faculty Qualification Index (ICQD) is an indicator to measure the qualification of the tenured professors, calculated by the weighted average with the following weights: undergraduate degree = 1, specialization = 2, master's = 3, doctorate = 5. The higher the ICQD, the higher will be the training of the faculty. For more information contact: CEMDI/SIDI, e-mail: [cemdi@academico.ufs.br](mailto:cemdi@academico.ufs.br).
- The Monitoring Program offers undergraduate students the opportunity to experience didactic-pedagogical experiences with the support of the guiding professor, who will assist them in the development of skills related to the teaching experience. For more information, contact DELIB/PROGRAD, e-mail: [monitoriaufs@academico.ufs.br](mailto:monitoriaufs@academico.ufs.br). PROGRAD also has other programs, such as the Tutorial Education Program (PET), Institutional Teaching Initiation Scholarship Program (PIBID), Pedagogical Residency Program (PRP), Teaching Degree Students at School Program (Prolice) and the Academic Mobility Program. For more information, contact DELIB/PROGRAD, e-mail: [delib@academico.ufs.br](mailto:delib@academico.ufs.br).
- Student Psychological Assistance Service (SPAЕ) provides students from the university with Psychosocial Assistance by offering professionals on duty, and the Inclusive Actions Division assists students with any disability. For more information on psychological care, contact DIPAI, e-mail: [dipai@academico.ufs.br](mailto:dipai@academico.ufs.br), and for more details on inclusive actions, contact DAIN, e-mail: [dain@academico.ufs.br](mailto:dain@academico.ufs.br).
- The Office of the Dean of Extension at UFS (PROEX) has Institutional Extension Support Programs (PIAEX); Activity Registration Program (RAEX), Academic Leagues and Junior Companies. Extension activities are characterized in programs, projects, courses and events and are registered in SIGAA by professors and/or technical-administrative, based on specific calls for applications. Students participate in extension projects as scholarship holders or volunteers, only when linked to work plans. People may participate in courses and events as team members or listeners.
- The Institutional Scholarship Programs for Scientific Initiation (PIBIC) and for Technological Development and Innovation (PIBITI), widely consolidated at the university, have contributed significantly to the training of human resources for research, enabling, among other things, the engagement of undergraduate students in scientific, technological and innovation activities since the beginning of the course. The program also promotes greater articulation between undergraduate and graduate courses. For more information, contact: COPES/POSGRAP – PIBIC, e-mail: [dpb@academico.ufs.br](mailto:dpb@academico.ufs.br); AGITTE/POSGRAP – PIBITI, e-mail: [cintec@academico.ufs.br](mailto:cintec@academico.ufs.br).
- The Success Ratio is an annual indicator that shows the percentage of graduates, each year, concerning the total of retroactive entrants considering the minimum completion time of each course. For example, consider a course with a minimum completion time of 8 terms. In 2021 there were XX graduates and the number of retroactive entrants (2017/2 and 2018/1) was YY. Thus, the course's Success Rate is the ratio of the XX graduates by the YY retroactive entrants. For more information contact CEMDI/SIDI, e-mail: [cemdi@academico.ufs.br](mailto:cemdi@academico.ufs.br).
